Dear Mr. President,

First, I want to thank you for all you did to Make America Great Again. Despite constant attacks from the corrupt Obama/Clinton/Biden Deep State socialists and the hate-filled and vile fake news media, you advanced dozens of winning policies for America that the Washington Establishment claimed were impossible to achieve.

Now, I hope you will agree to take on one more policy desperately important to me and millions of seniors across America:

I hope you endorse congressional passage of
“The Social Security Guarantee Act.”

This vital pro-senior bill will ensure we seniors don’t lose our benefits when the Social Security Trust Fund goes bankrupt. It must be a top issue in the new 118th Congress and on the 2024 Presidential campaign trail.

Mr. President, with you leading the fight to pass this bill, I know we can and we will win this fight for me and our fellow seniors. I know we can ensure no one loses the benefits we paid for, were promised, and deserve. I know we can and will save Social Security.

Thank you. You were a great President and remain the leader we need now and for the future.

Sincerely: _____ Date: _____
