Urgent Petition

to President Joe Biden and Congress

END the DEATH TAX Immediately by passing the Death Tax Repeal Act

WHEREAS, I have already paid taxes on my lifetime of work.

WHEREAS, The DEATH TAX amounts to DOUBLE-TAXATION.

WHEREAS, my passing on to the next life should not be a taxable event.

WHEREAS, I should be able to pass on the fruits of my life of work to my loved ones.

WHEREAS, economists at both liberal BROOKINGS INSTITUTION and the conservative HERITAGE FOUNDATION agree that the DEATH TAX badly hurts the U.S. economy overall and kills jobs.

WHEREAS, a recent poll by NPR/Ipsos found that 65% of Americans (including 51% of Democrat voters) want to END the DEATH TAX.

WHEREAS, the DEATH TAX is forcing families to sell their family farms and family businesses to pay the DEATH TAX;

WHEREAS, just about the only ones who benefit from the DEATH TAX are . . .

- **ESTATE PLANNING LAWYERS**, who charge clients big fees to find strategies to lessen the impact of the DEATH TAX.
- **LIFE INSURANCE COMPANIES**, which charge high life insurance premiums to seniors who try to use life insurance as a way to lower the cost of the DEATH TAX on their loved ones.
- **BIG FORTUNE 500 CORPORATIONS** -- which see the DEATH TAX as an effective way to eliminate (bankrupt) their small business competition.

THEREFORE, I implore you to actively support, co-sponsor and push for immediate passage of legislation to END the DEATH TAX. I will be watching your actions closely on this urgent matter as I consider my vote for the 2024 Elections.
